Statement from Red to Blue California on Red to Blue California President Michael Eggman Resigning to Run for Congress

MODESTO, CA – Today, Monday, January 29th, **Red to Blue California** Chairman former Congressman Mike Honda released the following statement regarding Red to Blue California President resigning his position to run for Congress.

"Last night, I received Michael Eggman's resignation letter. I want to truly thank Michael for his leadership and wish him all the best in what's to come. Since Red to Blue California's launch in June, it has become a grassroots organization powered by over 300,000 supporters. Our work is not done and our mission is clear – we will continue to hold Republicans who turn their backs on the values of their constituents accountable and work to ensure that all seven GOP held seats are put back in Democratic hands come November."

Launched in June of 2017, Red to Blue California is focused on defeating the seven incumbent California congress members currently representing districts carried by Hillary Clinton in 2016. Additionally, Red to Blue California is committed to electing local Democratic leaders to offices that sit in any of these seven red districts in order to build a bench of future Democratic Party leaders.
